**Re: R.K. v. Y.A.L.E. Schools, et al.
Civil No. 07-5918 (JBS)**

Dear Mr. Garber:

The Court rejects your proposed Discovery Confidentiality Order ("DCO"). [Doc. No. 19]. The proposed Order is overbroad and does not comply with L. Civ. R. 5.3. Not all "documents, letters, correspondences, pleadings and all other papers generated in connection with discovery" are entitled to confidentiality protection. The Court will address a future application for a DCO if it is narrowly drafted to comply with the applicable civil rules and case law.

Very truly yours,

s/ Joel Schneider
